

## Website Accessibility Policy for Sage Wellness Center

At SageWellnessCenter.org, we're committed to accessibility. It is our policy to ensure that everyone, including persons with disabilities, has full and equal access to our digital offerings.

To ensure accessibility, we have taken the following actions:

- We have designed our website with accessibility standards in mind.
- We have included an accessibility tool on all of our website pages, giving viewers access to personalized accessibility adjustments.

SageWellnessCenter.org is committed to maintaining accessibility. We've thoroughly reviewed our website to ensure our digital offerings are aligned with the latest standards and best practices for accessibility within a digital workspace.

Beyond our existing remediation measures, we continually review our website to ensure we adhere to best practices in web accessibility.

Through our genuine and good faith commitment and devotion to accessibility, we believe we meet the digital accessibility requirements imposed by Title III of the Americans with Disabilities Act (ADA).

SageWellnessCenter.org is committed to accessibility and we are always seeking to improve. If you know of a way we can improve, we'd love to hear more. You can email us at [info@sagewellnesscenter.org](mailto:info@sagewellnesscenter.org).
